*As previously announced, the Electronic Reporting module has been retired. Please note, you still have the ability to print Payroll and Accounts Payable tax forms using the Federal or State eFiling menu tasks. You can print and/or electronically file W-2, 941, 1099, plus 330+ signature-ready federal and state tax forms to plain paper. There is no cost to print, but there is a minimal cost to eFile.
Get more eFile details

**Sage will issue a last update to Payroll in March to enable the recording of data for the Affordable Care Act.
***Sage reserves the right to determine if and when Hot Fixes will be issued.
